#### Panel I—Hot and Cold: A Look at the 2021 Achievements & Shortcomings

9:30-10:30AM | Joe B. Hogsett Theater, 1<sup>st</sup> Floor

What did the 87<sup>th</sup> regular Texas Legislative Session and subsequent special sessions accomplish – and what is still left to be done? During this panel, we'll examine the hot-button policy issues at a glance, then take a deep dive into where we go from here. What can you do to make a difference during the interim, while also gearing up for the 2023 session?

Speakers:

- [Jerome Greener](#) Vice President of Engagement, Texas Public Policy Foundation
- [Derek Cohen, Ph.D.](#) Vice President of Policy, Texas Public Policy Foundation

#### Panel II—From Idea to Action: A Cinderella Story

10:45-11:45AM | Joe B. Hogsett Theater, 1<sup>st</sup> Floor

So you have an opinion on an issue. Now what? Whether you aim to take that idea all the way to the finish line of becoming a law, or you just want to be able to speak in an articulate and informed way in your community – activism on any level is the fuel that drives change. But how can you take the passion for an idea and transform it into something that gets other people involved? Join our panel of experts for a conversation on turning idea into action.

Speakers:

- [Crystal Bonham](#) Digital Communications Director, Texas Public Policy Foundation
- [Logan Cheney](#) Account Executive, Potomac Strategy Group & Texas State Director, RumbleUp
- [Samuel Sheetz](#) Policy Director, Americans for Prosperity
