

Vivek Ramaswamy

Author, “Woke, Inc.”

Vivek Ramaswamy is a first-generation American entrepreneur, investor, and *New York Times* bestselling author. Leaders have called him “the most compelling voice in the conservative movement” and “one of America’s towering intellects.”

In 2022 Vivek co-founded Strive, an Ohio-based asset management firm whose mission is to restore the voices of everyday citizens by leading companies to focus on excellence over politics. Prior to Strive, Vivek founded multibillion-dollar enterprises including Roivant Sciences, which he led as CEO for seven years where he oversaw the development of a range of medicines including multiple FDA-approved therapies.

His last book - *Woke, Inc.: Inside Corporate America’s Social Justice Scam* - was one of the most successful bestsellers of 2021. His forthcoming book - *Nation of Victims: Identity Politics, the Death of Merit, and the Path Back to Excellence* - will be published in September. Vivek regularly writes op-eds which have appeared in *The Wall Street Journal*, *New York Times*, *Harvard Business Review*, and other outlets, and he appears regularly on CNBC, Fox Business, and other networks.
