

PORT HOUSTON™

Jessica Shaver Chief People Officer

Jessica Shaver was named Chief People Officer of Port Houston in 2016. Ms. Shaver provides leadership in the development and execution of the strategic plan and organizational strategies. She is also responsible for aligning people programs with the goals and objectives of the port, specifically in the areas of talent management, compensation and benefits, employee development and engagement, internal communications, office services, and community outreach.

For years, Ms. Shaver has been involved in the transportation industry with increasing levels of leadership and management responsibilities. She previously served as the Director of Corporate Strategy and Chief of Staff. Prior to joining the port, she worked in various finance positions at CSX Corporation in Jacksonville, Florida.

Ms. Shaver earned a Bachelor of Science degree and a Masters in Business Administration from the University of Florida. She currently resides in the Houston Heights with her husband Ben and two sons, William and Jack.
