Panel I—Securing the Foundations of Our Democracy

9:45-10:45am | Joe B. Hogsett Theater, 1st Floor

Our culture is at a crossroads – but what does that mean and what role do you play in the fight to secure the underpinnings of what makes our nation great? In a time of overwhelming cultural rot (bad) and apathy (worse), what do these battles look like and who will step into the arena? How do these themes and ideas play out on a state and national level? Together, panelists and attendees will explore these questions and more.

Speakers:

- [Andrew C. Brown, J.D.](#) Associate Vice President of Policy, Texas Public Policy Foundation
- [Brian Phillips](#) Chief Communications Officer, Texas Public Policy Foundation
- [Jessica Ramirez](#) (moderator) Chair, San Antonio Liberty Leadership Council

Panel II—Zeroing In On 2025

11:00am-12:30pm | Joe B. Hogsett Theater, 1st Floor

TPPF's [Joshua Treviño](#) will deliver a sneak peek of the Foundation's priority issues for the 2025 legislative session, followed by the opportunity for attendees to break into small groups for the interactive portion of this panel. Breakout sessions will provide intimate knowledge and freeform discussion with a TPPF expert, plus a dialogue to establish how LLC members can help make an impact on their chosen issue areas. Be prepared to have homework!
