School District Expenditures in House District 9

Leaders should ask how well resources - people, time, and money - are deployed to meet student needs. ISDs in HD 9 spent \$18,586 per student. Of this, spending consists of:

- 37% (\$6,892) for teacher salaries & benefits;
- 23% (\$4,215) on salaries & benefits for non-teachers, esp. administrative, clerical, facilities, & counseling staff;
- 22% (\$4,125) for other operating costs, esp. consumable supplies, technology, & consultants; and

Texas Republican Voters support Parental Empowerment in March 2024

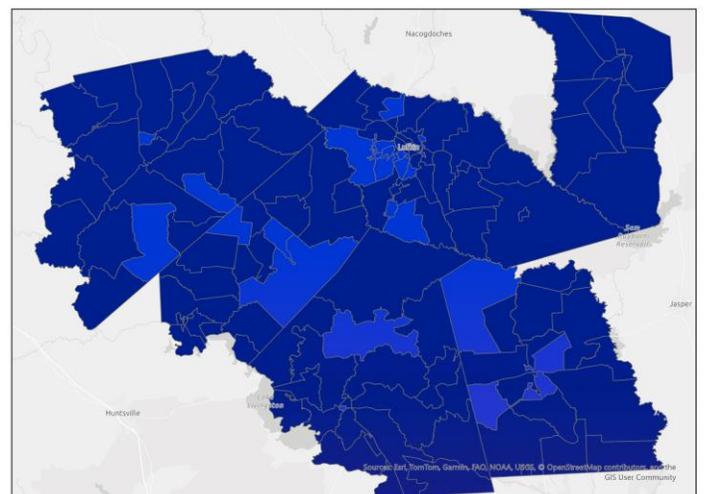

In 2024, Texans voted on this proposition:

"Texas parents and guardians should have the right to select schools, whether public or private, for their children, and the funding should follow the student."

Across House District 9, 82% of Republican primary voters said yes. To improve opportunities for all students, parents need to be empowered with transparency, quality, respect, and choice.
