- 36% (\$6,551) for teacher salaries & benefits;

Texas Republican Voters support Parental Empowerment in March 2024

In 2024, Texans voted on this proposition:

"Texas parents and guardians should have the right to select schools, whether public or private, for their children, and the funding should follow the student."

Across House District 14, 74% of Republican primary voters said yes. To improve opportunities for all students, parents need to be empowered with transparency, quality, respect, and choice.
